Dear Mr. Ali,

I believe I am the perfect fit for the Save Mart Companies Corporate Office and would like to be a part of your team. I was made aware of this position through my leadership advisor, Jill Mortensen, and thought it would be the perfect opportunity to utilize my skills.

I have been interested in the Finance industry for quite some time now and strongly believe that my discipline, leadership, and perseverance would be beneficial to your team. I currently attend Ripon High School and obtain a 4.32 GPA, compete in varsity track and cross country as a team captain, and hold various leadership positions such as being President of the Multicultural Acceptance Club. I also have experience in AP Calculus and AP Statistics which I understand are vital to this position. Knowing all this I desire to be challenged and pushed in a constructive workplace, in which the Save Mart Companies Corporate Office poses the perfect opportunity.

I would be very grateful and appreciative for any time you could give me for a personal interview. I am readily available to arrange an interview via phone at (209) 988-9025 or email at devinfitzpatrick006@gmail.com at whatever time is most convenient for you. Thank you so much for your time and consideration and I hope you have a great rest of your day.

Sincerely Yours,

Devin Fitzpatrick
